Our Survivors

Our center was founded by Holocaust survivors from our community. Our survivors, together with their children and grandchildren, are the beating heart of our center. We exist to tell their stories, which are a crucial part of the history of the Holocaust. Their courage, fortitude, and grace inspire us to strive for a world in which tolerance wins out over hatred.

Our Museum

The museum presents a detailed and comprehensive chronicle of the Holocaust in six galleries, using multimedia displays, photographs, artifacts, archival footage, and testimonies from local survivors and liberators. It also looks at genocides and acts of intolerance that have happened in the years since 1945, asking visitors to think about the actions an individual can take to promote resistance to prejudice and to prevent the spread of hate.

Our Mission

The Holocaust Memorial and Tolerance Center is dedicated to educating students and the community about the atrocities of the Holocaust and the importance of tolerance and respect for all people. HMTC serves as a valuable resource for school programs, lectures, training and other educational opportunities.
